

Meet Khadija Nawaz: Internee at Internee.pk

Name: Hello everyone, my name Khadija Nawaz

Preferred Nickname: You can call me Khadija

Academic Background:

- **Major:** I am majoring in Information technology.
- **University:** I attend University of the punjab
- **Current Year of Study:** I am currently in my 6th semester.

Tech Interests: I have a strong interest in various tech-related areas. Some of my key interests include:

- Web Development
- Artificial Intelligence
- Mobile App Development

Hobbies and Interests: Outside of my academic and tech pursuits, I enjoy several hobbies and interests, such as:

- Reading
- Hiking
- Art

Thanks for this Internship with Internee.pk: I am truly grateful for the opportunity to be part of the Internee.pk virtual internship program. Thank you to the team for selecting me and for providing this valuable platform.

Future Goals: During this internship, I aim to:

- Develop advanced skills in chatbot application development
- Work on innovative projects that involve creating intuitive and intelligent chatbots
- Expand my knowledge in AI and machine learning
- Collaborate with fellow internees and learn from experienced mentors
- Contribute to the development of user-friendly and efficient chatbot solutions
